

4TH SYMPOSIUM ON DISCOURSE ANALYSIS  
FRIDAY 14 NOVEMBER 2008

**A World Without Borders:  
International Communication  
and  
Discourse Analysis**

*Contributions are welcome in discourse analysis research that investigate how socio-cultural mobility and global networks of communication may impact on the ways discourse is manifested in today's social exchanges. Proposals for individual papers are invited on all areas of discourse analysis (i.e. interactional sociolinguistics, conversational analysis, pragmatics etc.)*

We would like to invite abstracts and proposals of no more than 250 words by **Friday 5<sup>th</sup> September 2008**. Abstracts should include the title, author's full name(s), affiliations, address, email, telephone and fax number. We expect to provide notification of acceptance by the end of the last week of September 2008.

The abstract or proposal may be submitted via post, fax or e-mail to the Symposium Convenor:  
Dr Marisa Cordella
