

Monash University Faculty of Arts  
Academic Language and Learning Unit

**NEW 1<sup>st</sup> Year undergraduate unit, 2010**

## **Words Work:**

### **Language and Learning in Arts (LLA1010)**

The study skills unit introduces or re-familiarises students with key abilities required for the Bachelor of Arts degree.

We aim to provide students with the opportunity to develop and build upon their existing skills in the following areas: reading, writing, discussion, note-taking, locating sources, referencing, academic conventions of acknowledgement, revising for exams, writing critiques, and familiarity with various key concepts in the humanities and social sciences.

It will be of particular benefit to: International students, students who have completed VCE ESL, mature-age students returning to study, and any students who wish to focus on the acquisition of academic language and study skills.

*LLA1010 is offered as a 1<sup>st</sup> year, 6 point Arts elective. It is not a core unit for any major or minor sequence. It is open to all Monash Arts, and double degree students as well as B.Bus students who wish to take an Arts elective.*

*LLA1010 will be offered at Clayton campus in Semester one, 2010 and at Caulfield Campus in Semester Two, 2010.*
